

**SUGGESTED USE:** Shake lightly before each use. Take 1 tsp (5 ml) by mouth and swallow. Always take with food or after a recent meal to prevent nausea from the zinc. Use as directed by your healthcare professional.

Children and pregnant or lactating women should consult with their healthcare professional prior to use.

**STORAGE:** Store in a cool, dry place away from direct sunlight and out of reach by children. For maximum potency, after opening: refrigerate and use within 45 days.

**Immune Intensive** is a high potency, micellized immune support supplement designed for superior absorption. The combination of vitamins A, C, D3, K2, and zinc work synergistically to support a healthy immune system.†

**\*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.**

**DOES NOT CONTAIN:** Milk, eggs, fish, shellfish, tree nuts, peanuts, wheat, soy, gluten, GMO, artificial colors, or artificial flavors.

**Immune Intensive Meets or Exceeds cGMP Quality Standards.**
