

PUMP UP YOUR PERFORMANCE

Purus Labs' NOXYgen™ has remained unmatched since its inception in 2013 as a category-defining pre-workout pump additive.

NO3-T™ Citrulline Nitrate, combined with HydroMax® powdered glycerol—the cornerstones of NOXYgen™—are now combined with full doses of beta-alanine, Vitacholine® natural choline bitartrate, and a unique blend of caffeine anhydrous and zümXR® extended-release caffeine for smooth, sustained energy release.† Rounded out by L-tyrosine and Huperzia serrata for focus and Pink Himalayan sea salt for hydration, NOXYgen™ Preworkout is the formula finally worthy of the NOXYgen® name.†

HOW TO USE: Mix 1 serving with 8-10 fl. oz. of cold water and consume 20-30 minutes prior to training.

WARNING: NOXYgen™ PREWORKOUT is intended only for healthy adults above the age of 18. All individuals should consult a licensed healthcare practitioner before using this product. Do not use this product if you have been diagnosed with or have a family history of (including, but not limited to): heart disease, thyroid disease, liver disease, cancer, Barrett's Esophagus, gastroesophageal reflux, diabetes, hypoglycemia, hypo/hypertension, asthma, any psychiatric condition including depression or seizure disorder, or if you are using any other dietary supplement, prescription drug, or over-the-counter drug intended to promote vasodilation, in particular those intended for erectile dysfunction. The combined use of vasodilatory supplements or drugs and NOXYgen™ PREWORKOUT could cause an unsafe drop in blood pressure. Discontinue use and contact a medical doctor immediately if you experience an irregular or rapid heartbeat, chest pain, shortness of breath, dizziness, lightheadedness, fainting or presyncope, tremors, headache, nausea, or other similar symptoms. Discontinue use 2 weeks before surgery. If you are a performance athlete and/or subject to drug testing, please ensure compliance with your regulatory body prior to use. Do not use if you are currently pregnant or nursing. Keep out of reach of children.

STORE IN A COOL, DRY AREA AWAY FROM DIRECT SUNLIGHT

WARNING: Consuming this product can expose you to chemicals including lead which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food.
