

Body Dynamics

Internal Cleansing Complex

This formula of herbs and vitamins cleanses the metabolic systems responsible for fat accumulation (colon, liver, kidneys, lymph system and blood). It also is designed to satisfy the appetite, as well as provide energy levels capable of allowing for a busy schedule and a diet program. Anyone desiring super health and well being should add these super foods to their daily diet.*

Suggested Usage:

To find the optimal dosage for your particular metabolic rate begin with (2) tablets; (1) with lunch and (1) with dinner for 3 days. For the next 3 days, take (4) tablets; (2) with lunch and (2) with dinner. On the 7th day take (6) tablets, (3) with each meal for 3 more days. Increase up to (8) per day, (4) with lunch and (4) with dinner, until you experience normal bowel movements each day. Decrease by 1-2 tablets per day if stool becomes too loose or too hard. To curb your appetite, take 30 minutes before a meal.
