

**Directions:**

As a dietary supplement, 4 tablets once daily with food, or divided between two meals.

The Body Dynamics MEGA-NUTRITIONAL SYSTEM contains every element the body requires. Because of this, all its nutrients are assimilated more efficiently than those found in traditional supplements.\*

AMINO ACIDS  
MINERALS AND TRACE ELEMENTS  
ADDITIONAL POTENCIES OF VITAMINS  
TISSUE SALTS  
ESSENTIAL PIGMENT  
LIPIDS FOR CELLULAR MAINTENANCE  
EXCELLENT ENERGY FUELS  
BALANCED NUCLEIC ACIDS

Formulated and Distributed by:

## Supplement Facts

Serving Size 4 Tablets

Servings Per Container 30

| Amount Per Servings                                                                                           | %DV   | Amount Per Servings                               | %DV     |
|---------------------------------------------------------------------------------------------------------------|-------|---------------------------------------------------|---------|
| Vitamin A (50% beta-carotene, 50% retinyl palmitate) 3,000 mcg RAE (10,000 IU)                                | 333%  | Lemon bioflavonoids Complex 10%                   | 175 mg  |
| Vitamin C (as ascorbic acid) 1,000 mg                                                                         | 1111% | Garcinia (fruit) extract                          | 100 mg  |
| Vitamin D (as cholecalciferol) 10 mcg (400 IU)                                                                | 50%   | Gentian (root)                                    | 100 mg  |
| Vitamin E (as d-α-tocopheryl acid succinate) 67 mg α-tocopherol (100 IU)                                      | 447%  | Ginkgo (leaves)                                   | 70 mg   |
| Thiamine (as thiamine HCl) 45 mg                                                                              | 3750% | Inositol                                          | 50 mg   |
| Riboflavin 51 mg                                                                                              | 3923% | RNA                                               | 50 mg   |
| Niacin (as niacinamide) 75 mg                                                                                 | 469%  | Rutin                                             | 45 mg   |
| Vitamin B6 (as pyridoxal-5-phosphate) 60 mg                                                                   | 3529% | Papain (2000 USP/mg)                              |         |
| Folate (as Quatrefolic® (6S)-5-methyltetrahydrofolic acid, glucosamine salt) 680 mcg DFE (400 mcg folic acid) | 170%  | Para amino Benzoic Acid (PABA)                    | 30 mg   |
| Vitamin B12 (as Methylcobalamin) 180 mcg                                                                      | 7500% | Co-Enzyme Q10                                     | 10 mg   |
| Pantothenic Acid (as d-calcium pantothenate) 75 mg                                                            | 1500% | Alfalfa (aerial parts)                            | 10 mg   |
| Choline (as choline bitartrate) 23 mg                                                                         | 4%    | Bee Pollen                                        | 10 mg   |
| Calcium (as amino acid chelate) 200 mg                                                                        | 15%   | Eleuthero (root)                                  | 15 mg   |
| Iron (as ferrous fumarate) 15 mg                                                                              | 83%   | Hesperidin (complex 1%)                           | 10 mg   |
| Phosphorus (as calcium phosphate) 31 mg                                                                       | 2%    | Spirulina algae                                   |         |
| Iodine (from kelp) 148 mcg                                                                                    | 99%   | Spinach (leaves providing octacosanol)            | 6 mg    |
| Magnesium (as magnesium oxide) 300 mg                                                                         | 71%   | L. Acidophilus / B. Bifidum (500 million CFU/g)** | 5 mg    |
| Selenium (as L-selenomethionine & sodium selenite) 148 mcg                                                    | 265%  | Amylase (5000 SUG/g)                              | 5 mg    |
| Copper (as copper amino acid chelate) 0.5 mg                                                                  | 56%   | Lipase (1000 FIP/g)                               | 5 mg    |
| Manganese (as amino acid chelate) 2.5 mg                                                                      | 109%  | Bromelain (600 GDU/g)                             | 5 mg    |
| Chromium (as amino acid chelate) 16 mcg                                                                       | 46%   | Betain (trimethyl Glycine)                        | 5 mg    |
| Molybdenum (as amino acid chelate) 38.4 mcg                                                                   | 85%   | Apple Pectin                                      | 2 mg    |
| Potassium (as potassium chloride) 50 mg                                                                       | 1%    | Boron (as boron citrate)                          | 1 mg    |
|                                                                                                               |       | Trace Mineral                                     | 500 mcg |
|                                                                                                               |       | Lutein                                            |         |
