Thera-Colon Cleanse

Thera-Colon Cleanse is formulated to assist the peristaltic action (pushing waste out) in the large intestine. Problems can occur when the colon can not completely eliminate the accumulation of fecal matter. These undesirable substances can collect in the colon and become trapped there causing a build up of toxic waste. Problems associated with these poisons are bloating, weight gain, and issues with digestion. Thera-colon cleanse is gentle but effective, and will encourage a healthy, well-functioning colon. You will see overnight results, with no cramping.*

Thera-Colon Cleanse can be taken alone or with Mega Cleanse Internal Cleansing Complex and Mega Cleanse EX.
