I've devoted my life to helping people balance their digestive system and achieve vibrant health. I believe overall good health begins with a healthy gut:

DIVERSITY IS THE KEY TO ADULT 55+ DAILY

Our bodies naturally contain many different types of good bacteria so we formulated Vital Flora Adult 55+ Daily with a diverse blend of 60 strains.*

It contains a special ratio of beneficial bacteria with more Bifido strains for adults 55+ to support overall digestive and immune health.*

We also added 7 plant-based prebiotics to help feed the diversity of good bacteria in our gut.*
