

PRODUCT BENEFITS: Vitamin D is an essential nutrient that works with Calcium to help develop strong bones and teeth.* This high-potency Vitamin D supplement also assists in maintaining a healthy immune system.* If you're not getting enough Vitamin D every day, you may not be able to adequately absorb Calcium from the foods you eat, and your body will have to take Calcium from your bones.*

Directions: For adults, take one (1) tablet daily, preferably with a meal or follow the advice of your health care professional. As a reminder, discuss the supplements and medications you take with your health care providers.
