PADMA BASIC®

Supports Mobility &
Cardiovascular Health*

Dietary Supplement
60 Capsules

modern science

Over 40 Years of Published Research and Clinical Support

Padma Basic® is based on a time-honored Tibetan herbal formula, and has been extensively researched in over 25 published clinical trials. Results show that Padma Basic® is an effective natural solution for promoting cardiovascular health, including support for mobility and healthy blood circulation. Studies also demonstrate the benefits of **Padma Basic®** for healthy immune function, free radical scavenging and other areas of health.*

The 19 unique botanicals in **Padma Basic®** are rich in antioxidants and other active compounds that deliver synergistic benefits through multiple mechanisms of action. Padma Basic® offers targeted, multi-system support as well as a gentle balancing effect for overall wellness and vitality.*

Supports:

Mobility*
Cardiovascular Health*
Healthy Immune Function*

Suggested Use: As a dietary supplement, take 1-3 capsules 2 times per day, or as recommended by your healthcare practitioner.
