

SUPPORTS MEMORY AND CONCENTRATION*

Ginkgo trees date back to the prehistoric era, and have been known to live for up to 4,000 years. The trees grow in a multitude of environmental conditions, and are remarkably resilient to diseases and pests. The leaves have been used in wellness practices for thousands of years to support memory and concentration.* At Nature's Way®, we believe nature knows best. That's why our mission is to seek out the best herbs the earth has to give. It's the way we deliver uncompromising quality and help you live healthier.
