FertilityBlend™ for Women

A scientifically validated herbal/nutritional blend for women to improve fertility health by optimizing hormonal and menstrual cycle balance. This patent-pending, premium combination contains **Vitex agnus-castus** (chasteberry herb) to enhance hormone balance and ovulation frequency. The **antioxidants** green tea, vitamin E, and selenium improve overall reproductive health. **L-arginine** is an amino acid that stimulates the reproductive organs by improving circulation. **Vitamins** B6, and B12, folic acid, iron, magnesium, and zinc address specific deficiencies that are known to impact fertility health.

The Daily Wellness Company, the makers of FertilityBlend™ for Women, is committed to supporting scientific research. The company has taken a methodical and clinical approach toward the development of FertilityBlend™ for Women in order to establish the highest level of credibility and consumer trust.
