IMMUNE SUPPORT MADE FOR KIDS*

Our Sambucus Nighttime Syrup for Kids is specially formulated to meet the unique needs of children. For centuries European black elderberries (*Sambucus nigra* L.) have been traditionally used for immune support during the winter months.*

A GOOD DAY STARTS WITH A GOOD NIGHT

Our nighttime formula also contains melatonin for occasional sleeplessness to help promote restful sleep in children when they need it most.*

PREMIUM ELDERBERRIES

Our highly concentrated (64x) black elderberry extract is made from 1,600 mg of elderberries per teaspoon. Our black elderberry extract is standardized to anthocyanins, which provide antioxidant support.*

SUPERIOR QUALITY

Each elderberry is 100% handpicked and harvested at just the right time. Berries are carefully inspected for quality and frozen on the same day they're picked to preserve them at their peak. We never use artificial colors — the proof is in the berry!
