

Cardiovascular and antioxidant support for healthy aging*

This comprehensive formula supports antioxidant pathways and cardiovascular health with 100% trans-resveratrol, the biologically active form of resveratrol.*

The combination of resveratrol and rutin (quercetin rutinoside) supports antioxidant pathways and helps protect cells against free radicals.*

Keep out of reach of children: Safety sealed with inner seal. Do not use if seal is broken or missing. Keep tightly closed. Store at room temperature. Avoid excessive heat and direct sunlight.
