

ANTIOXIDANT EXTREME™ contains the curcumin rich, Ayurvedic golden powerhouse; turmeric root in whole and extracted form. To this foundation we add antioxidant rich extracts of grape seed, green tea, and *trans*-resveratrol, with maqui berry for broad-spectrum support. This formulation provides fat- and water-soluble phytonutrients. We add a pinch of black pepper, a traditional bio-potentiator of curcumin.

SUGGESTED USE: 2 VeganCaps™ per day, or as directed by a qualified health care professional.
