

Directions: Take 1 tablet twice daily or 2 tablets 30-60 minutes prior to a gaming session. Do not take more than 4 tablets per day.

It's dangerous to go alone. Take This: Cheat Code is a scientifically formulated, complex nootropic tablet that helps to improve your Energy level (Caffeine, Infinergy™ DiCaffeine Malate), Focus (5-HTP, Rhodiola Rosea), Calmness Under Pressure (Panax Ginseng), Memory and Recall (Huperzine A, Ginkgo Biloba, Bacopa Monnieri), Cognition (Alpha GPC), as well as Visual Processing Speed, Acuity, Sensorimotor Skills, and Eye Health (Zeaxanthin) while dominating your foes and playing with your friends! Don't go it alone ... take Cheat Code!

Warning: Too much caffeine may cause nervousness, irritability, sleeplessness, and occasionally, rapid heartbeat. If you have a medical condition or are using a prescription medicine, consult a health care professional before using this or any dietary supplement. If you are a competitive athlete, check with your sports association before using this product. Do not use this product if you are pregnant or nursing. Not recommended for use by those under the age of 18. We recommend that you do not combine this product with any other products that contain caffeine. We also recommend that you do not combine this product with alcohol and do not take within 4 hours of bedtime.

- Do not use if seal is broken or missing
- Keep out of reach of children
- Protect from heat, light, and moisture
- Store in a cool, dry place; 15–30°C (59–86°F)
- Dispose of container 30 days after first opening
