

Directions: Take 2 tablets twice daily.

Ultimate Nutrition's K2+D3 is a key supplement for overall health and healthy aging.* Vitamins K2 and D3 combine to help increase bone mineral density.* Vitamin K2 can also reduce arterial calcification, while Vitamin D3 improves calcium absorption.* Calcium Chelate works with K2 to strengthen bones and reduce the risk of fracture, and Magnesium Chelate improves bone mineral content.*

Warnings: Do not exceed suggested daily serving. Not for use by persons under the age of 18. Not for use by pregnant or nursing women. If you are a competitive athlete, check with your sports association before using this product. If you are taking medication, or have a medical condition, consult your physician before use. Use only as directed.
