

SUGGESTED USE Consume one or more capsules before or during a meal, based upon the digestive burden of that meal. To determine the digestive burden of a meal, consider its overall size, as well as its protein, fat and complex carbohydrate content. This product is most effective as part of a healthy diet and active lifestyle, along with **ANDREW LESSMAN'S Life Rx™** multi-vitamin-mineral formulas. **For answers to questions about the use of this product call 800.800.1200.**

DIGEST ASSURE™

COMPLETE DIGESTION FORMULA
ALL VEGETARIAN • NO ANIMAL ENZYMES

DIETARY SUPPLEMENT

360 Easy-to-Swallow Capsules

Andrew Lessman's DIGEST ASSURE is a mild, all-natural food supplement designed to support and enhance your body's natural digestive processes. **Digest Assure** contains a comprehensive balanced blend of enzymes, to help your body digest and benefit from the diverse and very complex foods we eat. Unlike most digestive enzyme products, which are derived from pig, ox and beef bile and enzymes, **Digest Assure** is entirely produced from all-natural vegetarian sources. Its active ingredients are balanced to help you break down the macronutrients (proteins, carbohydrates and fats) you consume into smaller molecules that can be absorbed to nourish and benefit your body. Macronutrients make up the greatest portion of your diet, and when broken down by our natural Protease, Amylase and Lipase enzymes, they can be used to provide your body with the structural components it requires, as well as fuel to produce energy. In addition to these three most important enzymes, **Digest Assure** also contains Cellulase to aid in fiber digestion, Lactase to break down dairy products, as well as natural Papain and Bromelain for additional support in converting proteins into absorbable amino acids. Many factors, including stress and aging, can make the complete digestion of the food we eat very difficult or impossible, which is why the mild, yet powerful natural enzymes in **Digest Assure** are so important to enjoying the benefits of a healthy diet.
