

Intestinal and Circulatory System Support*

Go extra green with **Liquid Chlorophyll ES**. This **Extra Strength** paraben free formula features a more potent level of chlorophyll - the green pigment in plants responsible for harvesting the sun's energy in photosynthesis. Known to support your body on both a molecular and cellular level, chlorophyll promotes circulatory, intestinal, digestive and immune health. Featuring a proprietary chlorophyll complex, this minty fresh formula also helps neutralize body odors and acts as a natural, "internal" deodorant. Boost your energy and overall well being today with **Liquid Chlorophyll ES**.*

RECOMMENDATION

Take 1 tsp (5 mL) in a glass (8 ounces) of Nature's Spring water twice daily. Refrigerate after opening.
