PROBIOTIC 50 BILLION +Prebiotic

Gut & Brain Health Formula

30 | VEGGIE
CAPSULES

NATURAL DIETARY SUPPLEMENT

Towards reaching what our DNA intended

Probiotic 50 capsules contain a mixture of lactobacillus and bifidobacteria which are natural inhabitants of the human intestine. It also contains beneficial Bacillus Coagulans and a Prebiotic. These good bacteria may help to restore normal intestinal bacteria destroyed by pesticides, chlorinated water, processed foods, stressful lifestyles etc. Increasing scientific evidence shows the correlation between a healthy gut microbiome and general health.
