Children's Chewable Probiotic is formulated especially for children and contains 4 natural probiotic strains of friendly, viable organisms to help support and maintain healthy intestinal flora balance.[†] A balance of healthy intestinal flora helps support the body's immune system and can help avoid occasional indigestion and digestive upset.[†]

Suggested Use: Children age 2 and over take 1 chewable daily on an empty stomach. **REFRIGERATE AFTER OPENING.**

***TMR guarantees probiotic potency of 3 billion CFUs[†] per chewable at time of manufacture. For best results, keep product refrigerated to maintain probiotic potency.**
