

PRODUCT BENEFITS: Calcium Citrate is a highly bioavailable form of Calcium, and Vitamin D assists in the absorption of Calcium.* The body uses Calcium for proper muscle contraction and nerve function.* This formula supports immune system health and provides the building blocks for strong bones and teeth.*

Adequate Calcium and Vitamin D throughout life, as part of a well-balanced diet, may reduce the risk of osteoporosis.

Directions: For adults, take four (4) tablets daily, preferably with a meal or follow the advice of your health care professional. As a reminder, discuss the supplements and medications you take with your health care providers.
