‡These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

Suggested Use: Using the metered dropper, take 4mL (4 full droppers) daily with juice or food to mask the concentrated mineral flavor. Do not refrigerate.

Ionic Magnesium is a rich, concentrated liquid dietary supplement that provides magnesium in an ionic form—the form most widely recognized by the body.† Our proprietary process ensures maximum absorption, while the balanced liquid form provides safety and flexibility.‡ Magnesium is required for cellular energy production. It participates in over 300 biochemical pathways in the body, including cardiovascular function.‡ Concentrated seawater is a complex of full spectrum ionic trace minerals.
