Suggested Use: SHAKE WELL. Using the metered dropper, take 1.25 mL daily with juice or food to mask the concentrated mineral flavor. Do not refrigerate. Keep out of reach of children.

Ionic Selenium is a rich, concentrated liquid dietary supplement that provides selenium in an ionic form—the form most widely recognized by the body.† Our proprietary process ensures quality, while the metered dropper and liquid form allows for personalized dosing, when needed.†

Selenium may reduce the risk of certain cancers. Some scientific evidence suggests that consumption of selenium may reduce the risk of certain forms of cancer. However, the FDA has determined that this evidence is limited and not conclusive.
