

USAGE: Take 1 capsule 1 to 2 times per day with food or as directed by your qualified healthcare professional.

Jarrow Formulas® Blackcurrent Freeze-Dried Extract contains powerful antioxidants (polyphenols) for reducing eye fatigue and discomfort, providing antioxidant protection and promoting vasodilation.*

New Zealand Blackcurrent (Cassis) contains 4 times more polyphenols, including the unique eye protectors delphinidin-3-rutinoside and cyanidin-3-rutinoside, than European Blackcurrent and is freeze-dried to better protect its phytochemicals.

New Zealand Blackcurrent is free of pesticides and grows in an unpolluted area with intense sunlight, which makes it naturally high in phenolic antioxidants.

Keep out of the reach of children.
