

USAGE: Take 1 capsule per day with a meal or as directed by your qualified healthcare professional.

NOTE: If you have a medical condition, are pregnant, lactating, trying to conceive, under the age of 18, or taking medications, consult your healthcare professional before using this product.

Cruciferous vegetables such as broccoli have been associated with antioxidant and cellular protection.* **BroccoMax**® contains a standardized concentration of sulforaphane glucosinolate extracted (without solvents) from broccoli seeds. Metabolites of sulforaphane glucosinolate have been demonstrated to be a potent inducer of phase 2 detoxifying enzymes and protector of DNA.*

Keep out of the reach of children.
