•These statements have not been evaluated by the Food and Drug Administration.
This product is not intended to diagnose, treat, cure, or prevent any disease.

Powder • Dietary Supplement

NET WT 4 OZ (113 G)

Intestinal Care™ is a truly exceptional patented probiotic supplement that supports intestinal health in three ways:

1. Highly viable strains of *L. acidophilus* and *B. infantis*.
2. FOS to feed and promote the growth of the friendly bacteria.
3. Immunoglobulin protein concentrate to promote the activity level of the intestinal immune system.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

DIRECTIONS: Take 1/4 to 1/2 teaspoon mixed with four to six ounces of unchilled water two times daily with or without meals.

NOTICE: For maximum stability and viability, keep refrigerated. However, product may be stored at room temperature for up to a week or more without adversely affecting potency. This makes Intestinal Care an excellent choice for travelers.
