

USAGE: Take 1 capsule 2 times per day between meals on an empty stomach. Andrographis has been tested clinically for up to three months continuous usage. After three months usage, it is recommended to take a one month break.

NOTE: If you have a medical condition (especially if taking anticoagulants/blood thinners, hypotensives or immuno-suppressants), are pregnant, lactating, trying to conceive, under the age of 18, or taking medications, consult your health care practitioner before using this product.

ResistImmune™ joins EpiCor® and Andrographis AP-Bio™ (formerly known as KalmCold), two clinically tested ingredients, with Elderberry extract and herbs traditionally combined to balance the immune system while supporting immune resistance and wellness.* This formula can be taken long term as directed above for general immune health and in the face of immune challenges.*

Keep out of the reach of children.

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Store in a cool, dry place. Do not refrigerate.
