

PROFESSIONAL USE ONLY

Not for resale on third-party websites,
including, but not limited to, Amazon® and eBay®.

DIRECTIONS: Take one tablet 30 minutes before breakfast and one tablet 30 minutes before dinner, or as directed by your healthcare professional.

Consult your healthcare professional prior to use. Individuals taking medication should discuss potential interactions with their healthcare professional. Do not use if tamper seal is damaged.

ALAmax™ CR is a whole-body, multifunctional antioxidant that helps to maintain healthy, well-functioning cells. ALAmax CR is designed to neutralize free radicals. ALAmax CR has the ability to destroy free radicals in both the water-based and lipid-based portion of cells, making it the ideal whole-body antioxidant. In addition, ALAmax CR helps the body synthesize glutathione, the body's own master detoxifier. ALAmax CR also "recharges" other important antioxidants, such as vitamins C and E, and CoQ10, giving them the ability to continue fighting free radicals for extended periods of time. In addition, biotin supports the function of alpha-lipoic acid in regulating glucose metabolism.*
