

PROFESSIONAL USE ONLY

Not for resale on third-party websites,
including, but not limited to, Amazon® and eBay®.

DIRECTIONS: Take one capsule one to two times daily with food, or as directed by your healthcare practitioner.

Consult your healthcare practitioner prior to use. Individuals taking medication should discuss potential interactions with their healthcare practitioner. Do not use if tamper seal is damaged.

CholeRex™ features policosanol, a substance isolated from sugarcane wax that is used to support blood lipid metabolism. It is combined with OptiMag® 125, XYMOGEN's proprietary blend of two Albion® magnesium chelates. These forms of magnesium are known to be well tolerated and have excellent bioavailability. Combining policosanol and OptiMag 125 is thought to complement each component's cardioprotective benefits.*
