DIRECTIONS: Blend, shake, or briskly stir one level scoop into 8 oz of cool water and consume twice daily, or use as directed by your healthcare professional.

Consult your healthcare professional prior to use. Individuals taking medication should discuss potential interactions with their healthcare professional. Do not use if tamper seal is damaged.

New Zealand Whey Protein Isolate features concentrated whey protein derived from the milk of grass-fed New Zealand dairy cows. This versatile isolate rapidly disperses in water and provides a high-quality source of easily digested protein, making it an optimal choice for supporting muscle maintenance and recovery.*
