

VITAMIN CODE Kids

Beyond Vitamins & Minerals

Feed your child's body with Vitamin Code® Kids, a great-tasting, chewable multivitamin specifically designed to meet the unique nutritional needs of kids, providing **Food-Created Nutrients** for targeted delivery of essential vitamins and minerals.

Your child's body recognizes nutrients from food best. Each individual nutrient from food comes with its own unique cofactors that tell the body where to use it for maximum benefit. These cofactors can be removed when nutrients are isolated from food or synthesized in a lab, inhibiting their ability to nourish the body. Individually cultivated with their Code Factors™ intact, proprietary Vitamin Code® Food-Created Nutrients are naturally recognized by the body.*

* Percent Daily Values are based on a 2,000 calorie diet.
+ Daily Value not established.

Other ingredients: Xylitol (birch), organic cane sugar, vegetable cellulose, Lactobacillus bulgaricus, natural flavors, Brewer's yeast (Saccharomyces cerevisiae), beet root powder.

* **Food-Created Nutrients** are individually created through dual-organism cultivation which typically allows for the natural creation of known and yet to be discovered Code Factors™ such as Live Probiotics, Bioactive Glycoproteins, Bioactive Lipoproteins, Bioactive Enzymes, Glucosamin, SOD, Glutathione, Beta-glucans, Lipic Acid, Essential Trace Minerals, Glutamine, Polysaccharides and CoQ10.

** **Food-Chelated Minerals**

CAUTION: As with any dietary supplement, consult your healthcare practitioner before using this product, especially if you are pregnant, nursing, anticipate surgery, take medication on a regular basis or are otherwise under medical supervision. Do not use if safety seal is broken or missing. Do not take with sulfonamides since PABA interferes with the activity of the drug.

Warning: Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. Keep out of reach of children. In case of accidental overdose, call a physician or poison control center immediately.

Store in a cool, dry place. Manufactured in a facility that also processes soy. May contain soy. Contains no artificial colors, flavors, preservatives or sweeteners. Bear color may vary from lot to lot.
