

PROFESSIONAL USE ONLY

Not for resale on third-party websites, including, but not limited, to Amazon® and eBay®.

DIRECTIONS: Dissolve one level scoop in 4 oz water. First week: one serving per day immediately before dinner or one hour before bedtime. Thereafter: one serving during the day, preferably mid-afternoon, and a second serving before bedtime; or use as directed by your healthcare professional.

Consult your healthcare professional prior to use. Individuals taking medication should discuss potential interactions with their healthcare professional. Do not use if tamper seal is damaged.

OptiMag® Neuro features the same Albion forms of magnesium found in OptiMag® 125 plus Magtein® (magnesium L-threonate), the only form of magnesium proven in animal studies to cross the blood-brain barrier. Boosting the brain's magnesium level is vital to healthy cognition, which includes long- and short-term memory, learning, stress management, and sleep.*
