

PRODUCT BENEFITS: As a natural component of cartilage, Glucosamine nourishes joints for comfortable movement.* Glucosamine provides components to support the maintenance of joint cartilage and support your joints' ability to properly absorb external forces, which can promote joint comfort.* The Glucosamine in this product is stabilized with KCl rather than NaCl to avoid added sodium intake.

Directions: For adults, take one (1) capsule two times daily, preferably with meals or follow the advice of your health care professional. As a reminder, discuss the supplements and medications you take with your health care providers.

Individual results may vary.
