

Wobenzym® N Whole Body Benefits

Wobenzym® N is the authentic systemic enzyme formula trusted by millions worldwide to provide clinically demonstrated support for joint and inflammation health.[†]

Wobenzym® N works holistically — throughout your entire body — to support your body's natural response to inflammation.[†]

While inflammation in the body is a normal and natural response, the aches, pains and muscle soreness that often accompany it can keep you from living the active lifestyle you desire. Experiencing extraordinary health is all about helping the body achieve homeostasis — a dynamic state of balance.

If you want to take control of **your life** and live it on **your terms**, choose the brand that has been trusted by millions worldwide for decades — choose **Wobenzym® N**.

Warning: If you are pregnant or breast feeding, suffer from bleeding disorders or liver damage, or if you are taking anticoagulant drugs (such as Warfarin), consult a healthcare professional before using this product.

CAUTION: Your diet or health situation may benefit from the advanced use of this product. Check with your healthcare practitioner to determine your needs. As with any dietary supplement, consult your healthcare practitioner before using this product, especially if you are pregnant, nursing, anticipate surgery, take any medication on a regular basis or are otherwise under medical supervision.

Store in a cool dry place.

Do not use if safety seal is broken or missing.

Keep out of reach of children.
