ELDERBERRIES PER 2 TSP SERVING

DIETARY SUPPLEMENT
4 FL OZ (120 mL)

ABOUT BLACK ELDERBERRY

For centuries European black elderberries (*Sambucus nigra* L.) have been traditionally used for immune support during the winter months. You can take elderberry extract daily for year-round traditional immune support.*

IMMUNE SUPPORT MADE FOR KIDS*

Our proprietary herbal blend uses two species of *Echinacea* to support the immune system, and adds Propolis to provide a specialty formula for children.*

PREMIUM ELDERBERRIES

Our highly concentrated (64x) black elderberry extract is made from 3,200 mg of elderberries per 2 teaspoons. Our black elderberry extract is standardized to anthocyanins, which provide antioxidant support.*

SUPERIOR QUALITY

Each elderberry is 100% hand-picked and harvested at just the right time. Berries are carefully inspected for quality and frozen on the same day they're picked to preserve them at their peak. We never use artificial colors — the proof is in the berry!
