Enzyme Restore™ is a broad spectrum comprehensive digestive enzyme blend designed to support healthy digestion. Digestive enzymes are important for metabolism, vitality and nutrient absorption. They may be helpful for those that suffer from indigestion, heartburn, gas, bloating, constipation, diarrhea, and other GI upset symptoms that are due to poor digestion. Enzyme Restore™ may aid in the digestion of gluten, proteins, carbohydrates, fats, fibers, and the absorption of vitamins and minerals.*

Suggested Use: Take 1 capsule with water before each meal.

CAUTION: If you are pregnant, nursing, taking any medications or planning any medical procedure, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. Not intended for use by persons under the age of 18.
