

PRODUCT BENEFITS: Calcium is a major mineral responsible for the health of the body's bones and teeth.* Calcium intake is critical to achieving peak bone mass.* Calcium also helps maintain muscle contractions, nerve impulses and heartbeat regulation.* This unique formula contains calcium citrate - one of the most bioavailable sources of calcium - with magnesium to work with calcium and maintain bone mineralization.*

Directions: For adults, take three (3) tablets daily, preferably with a meal or follow the advice of your health care professional. As a reminder, discuss the supplements and medications you take with your health care providers.

WARNING: If you are pregnant, nursing, taking any medications or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur.
