

Myo-Folate®

Drink Mix for Reproductive Wellness

- Formulated with myo-inositol to support ovarian health and egg quality*
- Includes folate to support preconception health*

DIETARY SUPPLEMENT 30 packets Unflavored Net WT 2.4g each

Myo-Folate®

Drink Mix for Reproductive Wellness

Myo-Folate combines myo-inositol and folate, ingredients that support fertility and preconception health.*

Myo-inositol is a member of the B vitamin family, and has been studied as an insulin-sensitizing agent that supports egg quality and ovarian health.*

Adequate intake of folic acid may reduce the risk of neural tube defects. Myo-Folate contains methylfolate, the active form of folic acid used by the body.*

Directions for Use:

Mix one packet per day with 8 ounces or more of water or any non-carbonated beverage. Stir thoroughly to ensure contents dissolve completely.

Contains no gluten, dairy, artificial colors or artificial preservatives.

If you have a pre-existing medical condition or take any medications, please consult a doctor before use. Not intended for use during pregnancy or lactation. For adult use only - keep out of reach of children. Store in a cool, dry location.
