

 **OmegaTAU**
Enhanced Uridine/DHA

How It Works: OmegaTAU is our take on the traditional Uridine/DHA stack, also known as the Mr. Happy Stack. It provides a unique balance of High DHA Omega-3 with Triacetyluridine, Vitamin E, Folate, Alpha-GPC, and a potent Sesame extract. These ingredients all work together synergistically for daily mood and cognitive support.*

Disclaimer: Keep out of reach of children. Do not take this or any other supplement if under the age of 18, pregnant or nursing a baby, or if you have any known or suspected medical conditions, and/or taking prescription drug(s) or OTC medication(s).
