

Healthy Blood Pressure Levels Already in the Normal Range.

SUGGESTED USE: 1 capsule taken 1 to 3 times daily preferably with meals or as directed by a healthcare professional.

CAUTION: Do not exceed recommended dose. This product is not intended for pregnant or nursing mothers, children under 18, or individuals with a known medical condition including cardiovascular disorders or hypertension (low blood pressure). If you are currently taking any prescription medication including those for high blood pressure and have questions about the suitability of taking this product, consult a physician prior to use. This product is manufactured and packaged in a facility which may also process milk, soy, wheat, egg, peanuts, tree nuts, fish and crustacean shellfish.

NOTICE: Most people should not experience "Niacin skin flush" when using this product. However a few sensitive individuals may experience some flushing. Do not take on empty stomach.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
