BLOOD IS LIFE. It delivers oxygen and other essential substances throughout the body to help you perform better, recover faster and fight sickness. It also plays a role in delivering one hell of a muscle pump.

BLOODSPORT™ powder is an unflavored stim-free pre-workout pump amplifier with NO3-T® nitrate technology to boost nitric oxide for greater vasodilation, blood flow, stamina, performance, and PUMPS! Use **BLOODSPORT** on its own or stack it with Apollon Nutrition's Hooligan, Assassin, or Bare Knuckle for a bloody good time.

SUGGESTED USE: As a dietary supplement, mix 1/2 to 1 scoop with 10-12oz of water and consume approximately 30 minutes before your workout. Can be used in combination with your favorite pre-workout such as Apollon Nutrition's Hooligan, Assassin or Bare Knuckle.

WARNING: This product is only intended to be consumed by healthy adults 18 years of age or older. Do not use if you are pregnant, breast feeding, have known medical conditions (including but not limited to kidney, heart or liver disease) or are taking prescription or OTC medication(s). Consult with your health care professional before using this product. Discontinue use and consult with your health care professional if you experience any adverse reaction to this product. Do not exceed recommended serving. **KEEP OUT OF THE REACH OF CHILDREN.**
