The Best Or Nothing

CardioREGAIN

Ubiquinol CoQ10 • Astaxanthin • Pine Bark Extract • Krill Oil

Ultra Strength → **Active Form** → **Smart Delivery** → **Absorption Up to 25 Times**

- ✓ Helps replenish plasma CoQ10 levels[^]
- ✓ Supports heart health & blood pressure[^]
- ✓ Supports cellular energy production[^]
- ✓ Protects mitochondria from free radicals[^]

Gold Standard

Smart Liposomal Delivery

- Active Ubiquinol and Antioxidants
- Superior Bioavailability
- Stable, Safe, Research Proven

30
Softgels
One-a-day

Dietary Supplement

Recommended dosage:
Take 1 softgel daily after meals.

Contents: 30 softgels

Supplement Facts

Serving size: 1 softgel
Servings per container: 30

	Amount Per Serving	%Daily Value

CardioREGAIN – Comprehensive Heart Health Formula

An unhealthy lifestyle, oxidative stress and the use of cholesterol-lowering statins deteriorate one's cardiovascular health. As the body's natural heart nutrients like Coenzyme Q10 and antioxidants reduce with age, the "malnourished" heart has to work harder to pump blood through stiff and clogged blood vessels. Over time, serious cardiovascular problems can arise.

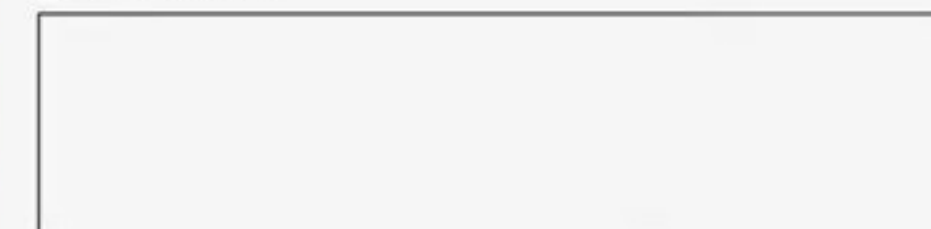

A 2-prong approach to (1) strengthen the heart and (2) reduce cholesterol oxidation and plaque build-up in the blood vessels, clears the path for good circulation while protecting the heart from overworking.[^]

CardioREGAIN is a synergistic & functional heart formula made with the world's most recognised and researched micronutrients, to nourish the heart and protect blood vessels.[^]

- Active Ubiquinol (a bioavailable form of Coenzyme Q10) provides cellular energy to the heart muscles and major organs[^]
- Smart Liposomal Delivery improves absorption by up to 25 times[^]
- Active Antioxidants: Astaxanthin and Pine Bark Extract improve heart health and help reduce oxidative stress and plaque formation in the blood vessels[^]
- Supports healthy blood pressure, heart rate, blood circulation, energy and well-being[^]

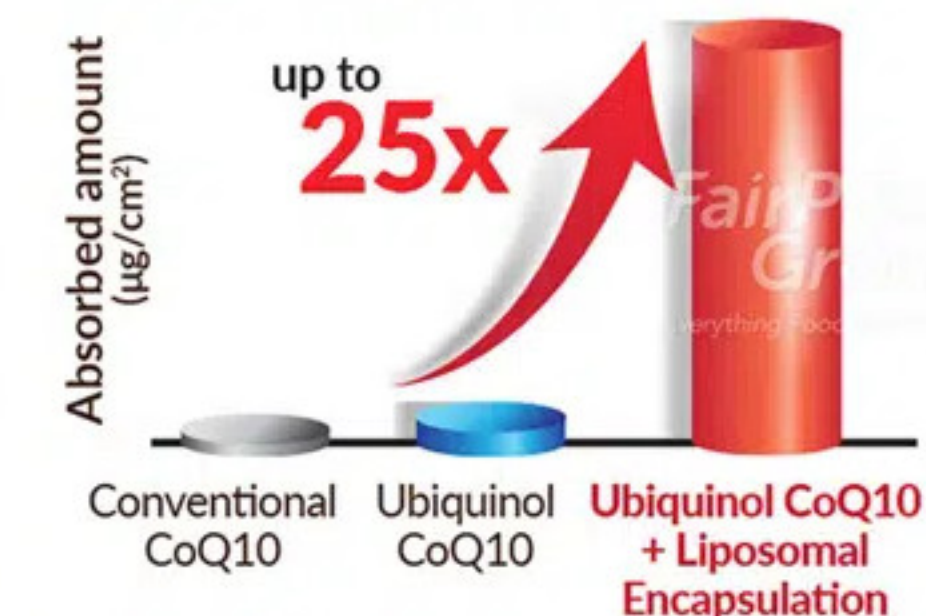

Best before:

Smart Liposomal Delivery

Increases absorption of Ubiquinol and protects it from destruction by enzymes, stomach acid and oxidation.[^]

Increases absorption by up to 25 times

CAUTION: Do not take without medical advice if on warfarin. If you are pregnant, nursing or taking medications, please consult your physician before consuming any supplements. Please exercise caution if you are allergic to shellfish. Dietary supplements are not a substitute for a healthy diet.

STORE IN A COOL, DRY PLACE, AWAY FROM DIRECT SUNLIGHT AND MOISTURE. KEEP OUT OF REACH OF CHILDREN.
