*Percent Daily Values (%DV) are based on a 2,000 calorie diet.
†Daily Value not established.

Other ingredients: sodium citrate, stearic acid, modified cellulose gum, hydroxypropyl cellulose, and silica.

Contains wheat and soy.

Research shows that a more alkaline pH diet promotes general health and well-being, but many of us don't realize that our modern diets can prompt an acidic shift in urinary pH levels. Source Naturals **ALKALINE BALANCE™** is specifically designed to aid the body in supporting healthy acid/alkaline balance. It contains mineral citrates, which research has shown to be alkalizing, as well as coral calcium and a proprietary blend of herbs and green food powders that complement the overall health benefits of the product.*

Suggested Use: 4 tablets daily with food.

CAUTION: If you are pregnant, may become pregnant, breastfeeding, taking prescription heart or blood pressure medication, or are on a low sodium diet, consult your health care professional before using this product.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

Suitable for vegetarians. Contains no yeast, dairy, egg, sugar, starch, preservatives, or artificial color, flavor or fragrance.

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.**
