\*Percent Daily Values (%DV) are based on a 2,000 calorie diet.

†Daily Value not established.

Other ingredients: fish oil, gelatin, glycerin, medium chain triglycerides, purified water, sorbitol, mixed tocopherols, ascorbyl palmitate, and rosemary extract.

Contains shellfish (krill), fish and soy.

Suggested Use: 1 softgel daily with a meal.

**CAUTION:** If you are pregnant, may become pregnant, breastfeeding, allergic to shellfish, have a blood coagulation condition or are taking anticoagulants such as warfarin (Coumadin®), consult a health care professional before using this product.

**ArcticPure® KRILL OIL** is a premium source of potent *omega*-3s and phospholipids, which provide support for heart and brain health, as well as for PMS and menstrual discomfort. The *omega*-3 fatty acids in krill oil include EPA and DHA, renowned for their importance to health. EPA and DHA in krill oil are attached to phospholipids, the primary building blocks of cell membranes. DHA is a primary supporter of the brain's neurons and neurological transmitters; EPA influences the chemical mediators that regulate the cardiovascular system. Krill oil additionally contains astaxanthin, a unique lipid-soluble antioxidant, which may help protect cells from harmful free radicals.\*

STORE IN A COOL, DRY PLACE.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

\*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
