Yielding 2,000 mcg Sulforaphane		

†Daily Value not established.

Other ingredients: dibasic calcium phosphate, stearic acid, hydroxypropyl cellulose, microcrystalline cellulose, silica, and modified cellulose gum.

A number of studies have shown that a diet rich in cruciferous vegetables such as broccoli, Brussels sprouts, cabbage and cauliflower can be beneficial to your health. Researchers have isolated a key component of broccoli called sulforaphane, which may have many protective properties. Sulforaphane, an isothiocyanate, is believed to stimulate enzymes in the body.* Freshly germinated broccoli sprouts contain from 30 to 50 times the concentration of isothiocyanates as mature broccoli.

Source Naturals **BROCCOLI SPROUTS EXTRACT** provides 2,000 mcg of sulforaphane daily, equivalent to eating more than a pound of fresh broccoli.

Suggested Use: 2 tablets daily.

STORE IN A COOL, DRY PLACE.

NOTE: If you are pregnant, may become pregnant, or breastfeeding, consult your health care professional before using this product.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

Suitable for vegetarians and **HYPOALLERGENIC:** contains no yeast, dairy, egg, gluten, corn, soy or wheat. Contains no sugar, starch, salt, preservatives, or artificial color, flavor or fragrance.
