Sodium	5 mg	<1%
Rosehips	100 mg	†

*Percent Daily Values (%DV) are based on a 2,000 calorie diet.

†Daily Value not established.

Other ingredients: stearic acid, sorbitol, magnesium stearate, modified cellulose gum, and colloidal silicon dioxide.

Suggested Use: 1 tablet three times daily.

NOTE: If you are pregnant, may become pregnant, or breastfeeding, consult your health care professional before using this product.

Suitable for vegetarians. Contains no yeast, dairy, egg, gluten, soy or wheat. Contains no sugar, starch, preservatives, or artificial color, flavor or fragrance.

Vitamin C, also referred to as ascorbic acid, is the single most commonly used vitamin supplement. It plays a major role in the formation of collagen (a structural protein in connective tissue), amino acid metabolism and hormone synthesis, and the utilization of many nutrients, such as folic acid and iron. It is also a key factor in the body's immune system. This product provides a gradual release over a prolonged period of time.*

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

Keep tightly closed in a cool, dry place.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
