DIETARY SUPPLEMENT

**CALCIUM
D-GLUCARATE**

CELLULAR DETOXIFIER*
500 MG • 30 TABLETS

Supplement Facts

Serving Size 2 Tablets

Servings Per Container 15

	Amount Per Serving	%DV
Calories	5	
Total Carbohydrate	1 g	<1%*
Calcium (from 1,000 mg calcium D-glucarate)	124 mg	12%

*Percent Daily Values (%DV) are based on a 2,000 calorie diet.

Other ingredients: sorbitol, stearic acid, modified cellulose gum, colloidal silicon dioxide, and magnesium stearate.

Source Naturals **CALCIUM D-GLUCARATE** includes the patented compound glucarate which has been shown to enhance the major detoxification pathways in the body. Calcium D-glucarate, the calcium salt of D-glucaric acid, is found naturally in the human body and in a variety of fruits and vegetables. Animal studies have shown that high doses of calcium D-glucarate inhibit *beta*-glucuronidase, thereby enhancing the process of glucuronidation, in which foreign organic compounds, fat-soluble toxins and excess steroid hormones such as estrogen are detoxified and excreted from our bodies.*

Suggested Use: 2 tablets with a meal three times daily. Additional benefits may be obtained by taking this product with antioxidants such as vitamins A, C, E and beta carotene.*

WARNING: For adult use only. Calcium D-glucarate may increase the body's excretion of certain medications. If you are pregnant, may become pregnant, breastfeeding, or taking any prescription drug, consult your health care professional before using this product.

Do not use if either tamper-evident seal is broken or missing.

GLUCARATE™ is licensed from Applied Food Science, LLC and protected by U.S. Patent 4,845,123.
