

CardioLux® HDL is designed to support healthy HDL function. This unique formula features pomegranate extract, lycopene, and quercetin, ingredients shown to support the protective function of HDL. In addition, these ingredients also support the activity of paraoxonase (PON), which is important for healthy HDL function and provides anti-oxidant properties.*

Directions: Take two capsules twice daily with food or as directed by your healthcare practitioner.

This product is **gluten-free, non-GMO, and vegetarian.**

Caution: If pregnant or nursing, or taking other nutritional supplements or medication, consult your healthcare practitioner before use. Keep out of the reach of children.

Tamper Evident: Do not use if safety seal is missing or broken.

Storage: Keep tightly closed in a cool, dry place.
