

Bone Builder® Active provides bone health support with microcrystalline hydroxyapatite concentrate (MCHC), a highly absorbable crystalline compound that provides naturally-occurring components of bone and is backed by more than 30 years of research. MCHC contains naturally occurring calcium, phosphorus, trace amounts of other minerals, bone growth factors, and collagen and other vital bone proteins. This well-rounded formula is designed to support bone mineral density, and also features vitamin D, additional minerals, glucosamine, and vitamin C for enhanced bone and joint health support.*

Directions: Take three tablets once daily or as directed by your healthcare practitioner.

This product is non-GMO and gluten-free.

Caution: If pregnant, nursing, or taking medication, consult your healthcare practitioner before use. Keep out of reach of children.

Tamper Evident: Do not use if safety seal is missing or broken.

Storage: Keep tightly closed in a cool, dry place.
