

ESFA060 LBS11202

EstroFactors® is a unique formula featuring

phytonutrients that provide targeted support for

healthy estrogen metabolism. Offering highly

bioavailable BioResponse DIM® which may

promote the 2-hydroxy estrone pathway. HMR

lignans are also featured to increase the production

of enterolactone, which has been associated with

reduced aromatase activity.*

Directions: Take two capsules once or twice daily or as directed

by your healthcare practitioner.

This product is non-GMO and gluten-free.

Warning: Do not use if pregnant or breastfeeding. Keep out of

reach of children.

Caution: Consult your healthcare practitioner before use if you are

taking medications, including birth-control.

Tamper Evident: Do not use if safety seal

is missing or broken.

Storage: Keep tightly closed in a cool, dry place.
