Total Fat	0	<1%*
Protein	0	<1%*

*Percent Daily Values (%DV) are based on a 2,000 calorie diet.

Ingredients: trace mineral and electrolyte complex from a combination of colloiddally suspended minerals and desalinated seawater, and methylparaben.

Suggested Use: 1/2 teaspoon twice daily. This product is neutral in taste and can be held under the tongue or swallowed directly.

NOTE: If you are pregnant, may become pregnant, or breastfeeding, consult your health care professional before using this product.

Do not use if tamper-evident seal is broken or missing. Keep out of the reach of children.

As our soil and food supply continues to be depleted of minerals, the need for bioavailable supplementation increases. **COLLOIDALIFE™ TRACE MINERALS** may be a source of 20 trace elements in a balance of colloids and ionic electrolytes including: Boron, Calcium, Chromium, Copper, Iodine, Iridium, Iron, Lithium, Magnesium, Manganese, Molybdenum, Phosphorus, Potassium, Rhodium, Selenium, Silica, Silver, Sulfur, Vanadium, Zinc, among others. As in any colloidal solution, a small amount of precipitation may occur.

Suitable for vegetarians and **HYPOALLERGENIC:** contains no yeast, dairy, egg, gluten, corn, soy or wheat. Contains no sugar, starch, salt, or artificial color, flavor or fragrance.

SN0522 REV G133
